

Education Team

July 9, 2014

8:30 AM

Members Present: Robert Gorrill, Ernie Groilmund, Elery Keene, Stephanie Kierstead, Susan MacKenzie, Linda Woods

Robert provided an update on the Homeless Shelter garden. He and Jeff will try to connect with Betty. Robert attended the Socialism 2014 Conference in Chicago. He will attend Evergreen State College in Olympia, Washington.

John Reuthe held his first training session for his residential energy program at KVCC led by Michael Lessard. Nine individuals participated. By the end of July, the promotional material will be ready for distribution. They are working on marketing through the SMMC web site.

Elery told about Peter Garrett's beginning a new group called Citizens' Climate Lobby. Peter learned about this from an event in Washington, DC. It is a national group trying to get a tax on carbon revenue returned to all people.

Action Item:

Peter: Attend the next Education Team meeting

Peter: Consider presenting at a 350 Central Maine meeting

We continued our discussion Decide on *Years of Living Dangerously*. It is accessible, so we will be hosting it at a future date.

Action Item:

We will decide a date next month.

Susan completed her Maine Master Naturalist training. Her capstone project was at Quarry Rd. She volunteered to lead "Quarry Rd Rambles." Linda can help with marketing. Susan will keep us informed about this.

The rest of the meeting focused on editing a draft of Ernie's handout.

Action Items:

Ernie: Add citations to each slide & eliminate all acronyms

Ernie: Send revised handout to Linda to be reviewed again at the next meeting

The next meeting is **Wednesday, August 13 at 8:30** in the **mayor's conference room**.

Agenda:

Update from John Reuthe

Date to show *Years of Living Dangerously*
